---

## PROFESSIONAL SUMMARY

Motivated and detail-oriented individual with experience in HTML, CSS, and Javascript demonstrated through hands-on projects such as e-commerce websites, technical documentation, and weather applications. After a dedicated period of preparing for competitive exams, I am now fully focused on career in Front-End web development. I bring strong problem-solving skills, self-discipline, and a passion for continuous learning. Eager to contribute to a tech-focused team in an entry-level or junior developer role where I can expand my skill set and add value through a commitment to excellence.
